Affidavit of Status of Arnold Beryl Rosner
Private Citizen of the United States of America: American Freeman

“Indeed, no more than (an affidavit) is necessary to make the prima facie case.”

United States v. Kis, 658 F.2d, 526, 536 (7th Cir., 1981);
Certiorari Denied, 50 U.S.L.W. 2169; S. Ct. March 22, 1982

Accordingly, I, **Arnold Beryl Rosner**, in esse Sui juris private citizen of the United States, being duly sworn, depose and declare under penalty of perjury that the following facts are true, correct and complete to the best of my knowledge and belief.

I, **Arnold Beryl Rosner**, do solemnly declare and affirm the following historical facts with regard to the status of *de jure* **Private American citizenship** of the United States (said federal citizenship secured by Article IV, Section 2, and broadened into national citizenship by Section 1 of the 14th Amendment to the United States Constitution) and the design of the Roman papacy, spearheaded by the military order of the **Society of Jesus**, to overthrow the liberties of Private Citizens of the United States by imposing a State-created, statutory, *de facto* **Public U.S. citizenship**. This *de facto* Public U.S. citizenship, being in substance a privileged Roman citizenship, would enable the constitutionally *de jure* civilian government of the United States (having been constitutionally altered from being a *de jure* “**Federal**” government broadened to a *de jure* “**National**” government by the 14th Amendment, 1868) to be replaced with a Congressionally-created, statutory, *de facto* Emergency War Powers military government of the United States on March 9, 1933. This radical, socialist-communist **coup d’etat** plotted by the infamous **Society of Jesus** and carried out by its Scottish-Rite Masonic agent, President Franklin “Augustus Caesar” Roosevelt, would overthrow the civilian government exercising the constitutional, *de jure* **jurisdiction** of the United States (the “**United States**” being “the collective name of the states which are united by and under the constitution,” *Hooven & Allison Co. v. Evatt*, 324 U.S. 652, 672), replacing it with a military government exercising an extra-constitutional, alien and foreign, *de facto* **jurisdiction** of the United States (this “**United States**” being “the territory over which the sovereignty of the United States extends,” *Hooven & Allison Co. v. Evatt*, supra, 671).

Further, by legally replacing constitutional *de jure* **Private American Citizenship** with *de facto* **Public “U.S. citizenship,”** thereby enabling the constitutional *de jure* **jurisdiction** of the “United States” to be legally replaced with a statutory *de facto* **jurisdiction** of the “United States,” the Jesuit Order would fulfill its design of overthrowing the liberties of the United States as plotted during the Congress of Vienna (1814-1815) and the subsequent Secret Treaty of Verona (1822) because of which President James Monroe issued his blessed “Monroe Doctrine” (1823)—and for which he was given “the poison cup” on July 4, 1831. American inventor Samuel F. B. Morse warned of this diabolical Jesuit Conspiracy against America in his epic work, *Foreign Conspiracy Against the Liberties of the United States*, published in 1835.

Further, this overthrow of both *de jure* **Private American Citizenship** at Common Law and its counterpart, the *de jure* **jurisdiction** of the “United States” at Common Law, would enable the Jesuits from Georgetown University to use the *de facto* Emergency War Powers American Congress—now possessing the unlimited legislative powers of an English Parliament—to wield absolute legislative power over the *de jure* fifty sovereign states turned into *de facto* “conquered territories” ruled by the statutorily-created, *de facto* national Emergency War Powers **military government**. This unlimited, congressional power would enable the Jesuits, ruling their *de facto* military government of their *de facto* American Empire, **to control by statute** every facet of American life “from the cradle to the grave.” This control would include the imposition of

socialist-communism for the building of cartel capitalism and the destruction of the historic White Protestant and Baptist Middle Class Americans (as well as all others); the building of a huge military industrial complex while using their *de facto* **Public "U.S. citizens"** to work in the Jesuit Order's anti-laissez-faire, cartel-capitalist corporations; and to finance and fight the wars of the pope's American Empire. These international crusades, directed by the Society of Jesus within the geographical United States via its Council on Foreign Relations, would be fought for the benefit of the Roman papacy in restoring the Temporal/Political Power of the pope over the governments of all nations while subsequently militarizing those conquered nations.

Further, with the change of the *de jure* constitutional **jurisdiction** of the "United States" (with its Common Law **civilian due process** and procedure secured by the Fifth Amendment, the Seventh Amendment and section 1 of the Fourteenth Amendment) to a *de facto*, extra-constitutional, **Roman Civil Law jurisdiction** of the "United States" (established by an amended Congressional war statute (1933), a Presidential Proclamation (1933) and the subsequent abolition of Common Law rights and Common Law **civilian due process** by the Supreme Court (1938)), an alien and foreign **martial due process** would be adopted by the federal and state courts fitted for the new *de facto* **Public "U.S. citizens"** living in the states deemed *de facto* "conquered territories." Since these *de facto* Public "U.S. citizens" are in substance Roman citizens, and since these *de facto* "conquered territories" are in substance Roman provinces under military rule, it is only fitting that the **Roman/Public "U.S. citizens"** should be criminally and civilly subjected to a martial process imposed by their constitutionally-created civilian courts. This *de facto* martial process, if unchallenged by evidence presented in a Counterclaim at Common Law proving the accused to be a Private American Citizen and not a Roman Public "U.S. citizen," would confer, in substance, martial *in personam* jurisdiction. With this absolutist judicial jurisdiction limited only by decisions of the Supreme Court, the federal courts would be in substance **legislative courts**. These Emergency War Powers Courts would enforce the sovereign will of the Emergency War Powers Congress, while sitting in substantive **equity** operating upon a **legal fiction**. The legal fiction would be the presumption of fact that each individual Private "U.S. Citizen" was in contract with and enfranchised by the state of his natural birth, thereby altering his constitutional, *de jure* Private American Citizenship conferred at birth to a statutory, *de facto* Public "U.S. citizenship" upon the public filing of a unilateral contract, which change in status would enable the court to dispose of his matter, criminal or civil.

Further, that unilateral contract was the public filing of a "**Certificate of Live Birth**" deliberately patterned after the Roman Catholic "**Certificate of Baptism**." The American "Certificate of Live Birth"—**by operation of law**—would be the contract to alter *de jure* Private American Citizenship to *de facto* Public "U.S. citizenship." With this presumption of fact of an existing contract held by every individual Public "U.S. citizen," every court legally sits in equity enforcing the statutes. This *de facto* status enables the courts to sit in **legislative equity** thereby fulfilling the grand design of the **Society of Jesus** in subverting the Common Law jurisdiction of the United States (as per Section 1, 13th Amendment, and Section 1, 14th Amendment) by rendering ineffective constitutional, *de jure* Private Citizenship of the United States (Section 1, 14th Amendment).

Further, this design of the **Society of Jesus** against the Constitutional, Common Law liberties of the Private Citizens of the United States was set forth by one of the Order's Masonic Temporal Coadjutors. That man was **Sir Henry Sumner Maine**, Regis Professor of the Civil Law in the University of Cambridge, England. In his *Ancient Law: Its Connection with the Early History of Society, and its Relation to Modern Ideas* (1864), Maine sets forth his three-part plan that, after its imposition, overthrew limited American government born out of the Protestant Reformation (1517-1648) and the First American Great Awakening (1735-1750). That diabolical, "unholy trinity" was first the creation of a **Legal Fiction**, after which the imposition of judicial **Equity**, then opening the

door to congressional/parliamentary, unlimited **Legislation**. (The philosophic parallel to this formula is "**Substance, Mode and Circumstance**.") The legal foundation and substance for this *de facto* overthrow of the limited, constitutional, *de jure* "jurisdiction of the United States" is the **Legal Fiction**. That **Legal Fiction**, evil though legally imposed by silent consent, was the public filing of a Certificate of Live Birth, the Baptismal Certificate of every Public "U.S. citizen." Hence, every Private American Citizen became **Surety** for his status of being a Public "U.S. citizen."

Therefore, finding this situation of **statutorily-altered**, Private American citizenship status intolerable and at variance with the maxims of **Holy Scripture** (Proverbs 11:15), I, **Arnold Beryl Rosner**, do solemnly declare and affirm:

1. WHEREAS, the FRANCHISE, BUSINESS TRUST, and or BIRTH CERTIFICATE, being in fact a unilateral contract under seal, was created and offered **legally though deceitfully**, its open-but-false purpose being to aid in the Census as a means of identification in the documentation of a natural birth, as well as for health reasons and purposes; its secret-but-true purpose being to rob "**We the People**," which includes every individual Private American Citizen, first of our sovereignty as a People, then our constitutionally-created status, and ultimately our lives, fortunes and sacred honor;
2. WHEREAS, the true purpose of the BIRTH CERTIFICATE, a unilateral contract under seal, is to be a covert commercial agreement and unconscionable, adhesion contract/quasi-contract first with the state of the baby's natural birth and then secondly with the federal government (the BIRTH CERTIFICATES being recorded by the Department of Commerce then to serve as collateral securities for the national debt);
3. WHEREAS, the true nature of the DATE OF FILING on the BIRTH CERTIFICATE, a unilateral contact under seal, is to commence the **legal birth** of the quasi-corporate, artificial person/**Public "U.S. citizen"** created by all necessary legal elements of a unilateral contract (it being in writing, signed, sealed and delivered for registration and filing with a public office of the baby's state of live birth);
4. WHEREAS, the true nature of the DATE OF BIRTH of the baby named on the BIRTH CERTIFICATE is to commit the natural person/Private American Citizen as **Surety** for the state-created, artificial person/Public "U.S. citizen," both entities being legally wedded into one legal entity, the hybrid **Public "U.S. citizen;"**
5. WHEREAS, the BIRTH CERTIFICATE is a BUSINESS TRUST INSTRUMENT recorded with the County Recorder, a subsidiary of the Secretary of State (of the several states treated as "conquered territories"), also sent to the Bureau of Census, a division of the Department of Commerce in Washington, D.C., placing the **NAME** of the Public "U.S. citizen" into interstate and foreign world commerce as a statutory, legal "person" (as are corporations, partnerships, trusts, corporate soles, etc.), distinct and separate from the "natural born citizen," i.e., the **Private American Citizen of the United States of America;**

6. WHEREAS, the Secretary of State (of the several states) charters corporations and issues franchises, therefore, any **natural born citizen/Private American Citizen** with a BIRTH CERTIFICATE is liable to the Franchise Tax Board of the State's Department of Revenue for income/excise/privilege taxes, as well as being liable to the Internal Revenue Service collecting the internal revenue for the "**Federal Corporation**" of the United States (28 USC 3002(15)(A) via excise/income/privilege taxes in payment of the interest on the national debt (proven by President Ronald Reagan's Grace Commission) which is owed to the Roman papacy's Federal Reserve Bank;
7. WHEREAS, this BIRTH CERTIFICATE, functioning as a BUSINESS TRUST INSTRUMENT, has hoodwinked **Private American Citizen Arnold Beryl Rosner**, allegedly named on said certificate, into an unknown and covert contract by operation of law, placing Affiant and fellow Private American citizens under an alien and foreign, *de facto* jurisdiction of the United States created by congressionally-amended WWI statute (40 Statute Law 411) known as the "Trading With the Enemy Act" amended by the "Emergency Banking Relief Act" (48 Statute Law 1) codified as 12 USC 95b and now as 50 USC App. 5(b), and Presidential Proclamation 2040 on March 9, 1933;
8. WHEREAS, the above *de facto* jurisdiction of the United States includes the jurisdiction of the constitutionally-created, federal and state civilian courts (**IN FORM**) sitting in a martial legislative equity (**IN SUBSTANCE**), they no longer proceeding against the accused Private American citizen with the Mode of a Common Law **civilian due process**, but rather with the Mode of a Roman Civil Law **martial due process** that, if unchallenged, will confer a martial jurisdiction over the accused then forced to plead in a court imposing **martial due process** and procedure derived from a congressionally-amended, World War I extraordinary war powers statute on March 9, 1933;
9. WHEREAS, upon the public filing of the BIRTH CERTIFICATE, another "**source**" was created that would generate "**income**" which could then be income/excise/privileged taxed, the natural person/baby/Private American Citizen now wedded to his new artificial person as its trust **Property** and subordinate **Surety**, the new "**source**" being in commerce and subject to the absolute legislative powers of Emergency War Powers Congress (1933-present) to regulate without limit interstate and foreign commerce pursuant to Article I, Section 8, Clause 3, of the U.S. Constitution during this time of a "temporary" declared state of National Emergency;
10. WHEREAS Affiant, a Private American Citizen, has ceased to be **Surety** for Public "U.S. citizen" "ARNOLD BERYL ROSNER" by means of a duly filed "**Notice of Release Without Consideration—NUNC PRO TUNC,**" and "**Affidavit: Notice of Rescission of Signatures of Suretyship—NUNC PRO TUNC**" on March 21, 2104 at 10:09AM at BPA BOOK 31 PAGES 929 thru 937 with the Clerk of the Superior Court of Georgia for the County of Lamar, thereby returning to the former status of being a Private American Citizen held for **Twelve** (12) days after Affiant's natural birth, that render the United States under control of United States Secretary of the Treasury the surety for the debt;

11. WHEREAS Affiant in esse, has irrevocably separated himself from the state-created FRANCHISE, BUSINESS TRUST, BIRTH CERTIFICATE attached hereto and hereby revokes all powers, including, but not limited to, Powers of Attorney and/or Agency that Affiant may have granted to any third party, public and/or private. Therefore, Affiant is not in commerce (as are corporations), never to enjoy any commercial privilege of limited liability as a matter of citizenship status (as do corporations being also Public "U.S. citizens"), having discharged all Emergency War Powers Military Governments, federal and state, from any duty or obligation having arisen from Affiant being the **Property of, Surety** for and/or wedded to the hybrid Public "U.S. citizen;"

12. WHEREAS, I, **Arnold Beryl Rosner**, , have returned to my former status of being a *de jure* Private American Citizen under section 1 of the Fourteenth Amendment and therefore stand "**in esse**" and "**sui juris**," possessing all God-given rights including those protected by the first eight amendments of the Bill of Rights, all Constitutional rights (federal and state) and all Common Law rights of a *de jure* Private Citizen of the United States/ American Freeman, no longer under the legal disability of being the **Property of, Surety** for and/or wedded to a *de facto*, state-created, Public "U.S. citizen;"

13. WHEREAS, I, **Arnold Beryl Rosner**, , am no longer the **Property of, Surety** for and/or wedded to a *de facto* Public "U.S. citizen" (which is "**alieni juris**"), therefore no longer under the *de facto* jurisdictional power of statutorily-created, *de facto* Emergency War Powers Governments (federal and state) as those absolute legislative, absolute executive and absolute judicial powers are exercised towards a *de facto* Public "U.S. citizen," and therefore no longer under the paternal guardianship of *de facto* Emergency War Powers Governments (federal and state) as those absolute, paternal powers are exercised towards its **infants and children**, *de facto* Public "U.S. citizens;"

WHEREAS, BASED UPON THE FOREGOING, I, **Arnold Beryl Rosner**, in esse and sui juris, do solemnly declare and affirm the following **positive averments**:

1. I am one of the **Posterity** of "**We the People**" by whom and for whom the Constitution was ordained and established according to its Preamble, holding *de jure* Private American Citizenship is broadened upon my natural birth by section 1 of the Fourteenth Amendment to the Constitution of the United States.

2. **DEBTOR'S Appointment of SPC as Agent with General Power of Attorney**

Secured Party/Creditor, because of the above **two documents** recorded in a public office as a matter of public record, will not ever and cannot ever be considered an **Accommodating Party** or **Surety** for DEBTOR. This position is predicated upon Secured Party/Creditor's obedience to the **Word of God**, specifically the AV1611 Reformation English Bible, Proverbs 1:10-16; 6:1-2; 11:15; 22:7.

United States Constitution) without being Property of, Surety for and/or wedded to a Public "U.S. citizen"/"US person" since the date of his natural birth evidenced by two publically filed documents above referenced,

A. "Notice of Release Without Consideration—NUNC PRO TUNC,"

and

B. "Affidavit: Notice of Rescission of Signatures of Suretyship— NUNC PRO TUNC,"

Secured Party/Creditor has held **legal title** to all Property held by DEBTOR since the date of DEBTOR's legal creation, February 1, 1937 and or DEBTOR, in possession of Secured Party/Creditor's Property for nearly Seventy-seven (**77**) years, has merely held **equitable title** to said Property until the execution of this formal and irrevocable conveyance which includes subsequent filing and recording in a public office as a matter of public record.

Summary of Terms

1. DEBTOR'S conveyance of all **equitable interests** in Property to Secured Party/Creditor is **NUNC PRO TUNC** and irrevocable, its effective date being retroactive to 2/1/1937, the date of the filing of a "Certificate of Live Birth" in the Business Trust NAME of "**ARNOLD BERYL ROSNER**" by the State of New Jersey. (For all such delivered and filed "Certificates of Live Birth" created "**Public U.S. citizens**"/"**U.S persons**" which legal entities are the legal property of the Emergency War Powers Military Government ruling the federal corporation of the United States as of March 9, 1933, said property serving as security/collateral for the national debt since the national bankruptcy of June 5, 1933.) **All equitable interests** in Property conveyed to the Secured Party/Creditor and formerly held by DEBTOR are now the Property of the Secured Party/Creditor to which (s)he holds complete and perfected **equitable title**. The Secured Party/Creditor is now the **Agent** and **Attorney-in-fact** for DEBTOR to use the NAME of DEBTOR as a **TRANSMITTING UTILITY** in the acquisition and management of the Property of Secured Party/Creditor for the benefit of Secured Party/Creditor.
2. Due to **Satan's** international system of world commerce calculated to destroy the sovereignty of all nations by reducing them to the wicked **Temporal Power** of the Pope of Rome, which

system is overseen and directed by the ubiquitous **Society of Jesus** using various papal knighthoods and Masonic secret societies in its quest for universal power, the listed Property of the Secured Party/Creditor can only be held, and therefore must be held, in the **NAME** of DEBTOR, while the DEBTOR, pursuant to this Non-Negotiable Commercial Security Agreement with supporting public documents, holds no legal or equitable interests whatsoever in said Property. All **Property** is managed by the Secured Party/Creditor in the **NAME** of DEBTOR for the benefit of Secured Party/Creditor/ *de jure* **Private American Citizen, Arnold Beryl Rosner** .

3. The **legal interests** in Property of the DEBTOR created by the federal and/or state governments cannot be conveyed by DEBTOR and remain the Property of those governments holding **legal title** thereto. That Property includes the **NAME** of DEBTOR and any and all trust accounts, public or private, established by those governments for the benefit of the DEBTOR. All **equitable interests** in said Property of DEBTOR have been irrevocably conveyed to the Secured Party/Creditor for his beneficial use.
4. **Arnold Beryl Rosner**, Secured Party/Creditor, shall not be personally liable for the public or private debts of DEBTOR **ARNOLD BERYL ROSNER**, since Private American Citizen **Arnold Beryl Rosner** is neither an **Accommodating Party** nor **Surety** for Public "U.S. citizen" **ARNOLD BERYL ROSNER** as a matter of public record. **Arnold Beryl Rosner** shall be liable for his own public and private debts incurred through the use of the NAME of DEBTOR "**ARNOLD BERYL ROSNER**" for the benefit of **Arnold Beryl Rosner** .
5. This Non-Negotiable Commercial Security Agreement shall begin to be **in full force and effect** upon its public notarization, filing and keeping with a public office and/or county court of record. If this Agreement may not be considered to be a binding bilateral contract by a court of record, then it shall be held to be a **Unilateral Contract Under Seal** meeting the requirements of specific intent of Secured Party/Creditor/**Private American Citizen** of the United States of America **Arnold Beryl Rosner** , said unilateral contract being in writing, signed, sealed, filed with a public office, he intending to be lawfully and morally bound thereby with the tacit, silent consent of the state—by operation of law—with which this agreement has been recorded and filed.

Duration

This Non-Negotiable Commercial Security Agreement has been created as a result Secured Party Creditor's lien of DEBTOR's beneficial interests in Secured Party's Property by way of an "**Affidavit of Truth: Notice of Lien of DEBTOR by Secured Party Creditor.**" Therefore, the duration of this Non-Negotiable Commercial Security Agreement shall continue until the natural death of Private American Citizen **Arnold Beryl Rosner** or his successor-in-interest, or until the State of New Jersey or its successor-in-interest terminates the legal existence of business trust organization/Public "U.S. citizen" **ARNOLD BERYL ROSNER**.

Form W-4 (2013)

Purpose. Complete Form W-4 so that your employer can withhold the correct federal income tax from your pay. Consider completing a new Form W-4 each year and when your personal or financial situation changes.

Exemption from withholding. If you are exempt, complete **only** lines 1, 2, 3, 4, and 7 and sign the form to validate it. Your exemption for 2013 expires February 17, 2014. See Pub. 505, Tax Withholding and Estimated Tax.

Note. If another person can claim you as a dependent on his or her tax return, you cannot claim exemption from withholding if your income exceeds \$1,000 and includes more than \$350 of unearned income (for example, interest and dividends).

Basic instructions. If you are not exempt, complete the **Personal Allowances Worksheet** below. The worksheets on page 2 further adjust your withholding allowances based on itemized deductions, certain credits, adjustments to income, or two-earners/multiple jobs situations.

Complete all worksheets that apply. However, you may claim fewer (or zero) allowances. For regular wages, withholding must be based on allowances you claimed and may not be a flat amount or percentage of wages.

Head of household. Generally, you can claim head of household filing status on your tax return only if you are unmarried and pay more than 50% of the costs of keeping up a home for yourself and your dependent(s) or other qualifying individuals. See Pub. 501, Exemptions, Standard Deduction, and Filing Information, for information.

Tax credits. You can take projected tax credits into account in figuring your allowable number of withholding allowances. Credits for child or dependent care expenses and the child tax credit may be claimed using the **Personal Allowances Worksheet** below. See Pub. 505 for information on converting your other credits into withholding allowances.

Nonwage income. If you have a large amount of nonwage income, such as interest or dividends, consider making estimated tax payments using Form 1040-ES, Estimated Tax for Individuals. Otherwise, you may owe additional tax. If you have pension or annuity

income, see Pub. 505 to find out if you should adjust your withholding on Form W-4 or W-4P.

Two earners or multiple jobs. If you have a working spouse or more than one job, figure the total number of allowances you are entitled to claim on all jobs using worksheets from only one Form W-4. Your withholding usually will be most accurate when all allowances are claimed on the Form W-4 for the highest paying job and zero allowances are claimed on the others. See Pub. 505 for details.

Nonresident alien. If you are a nonresident alien, see Notice 1392, Supplemental Form W-4 Instructions for Nonresident Aliens, before completing this form.

Check your withholding. After your Form W-4 takes effect, use Pub. 505 to see how the amount you are having withheld compares to your projected total tax for 2013. See Pub. 505, especially if your earnings exceed \$130,000 (Single) or \$180,000 (Married).

Future developments. Information about any future developments affecting Form W-4 (such as legislation enacted after we release it) will be posted at www.irs.gov/w4.

Future developments. The IRS has created a page on IRS.gov for information about Form W-9, at www.irs.gov/w9. Information about any future developments affecting Form W-9 (such as legislation enacted after we release it) will be posted on that page.

Purpose of Form

A person who is required to file an information return with the IRS must obtain your correct taxpayer identification number (TIN) to report, for example, income paid to you, payments made to you in settlement of payment card and third party network transactions, real estate transactions, mortgage interest you paid, acquisition or abandonment of secured property, cancellation of debt, or contributions you made to an IRA.

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN to the person requesting it (the requester) and, when applicable, to:

- Certify that the TIN you are giving is correct (or you are waiting for a number to be issued),
- Certify that you are not subject to backup withholding, or
- Claim exemption from backup withholding if you are a U.S. exempt payee. 4. Certify that FATCA code(s) entered on this form (if any) indicating that you are exempt from the FATCA reporting, is correct.

Note. If you are a U.S. person and a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.

Definition of a U.S. person. For federal tax purposes, you are considered a U.S. person if you are:

- An individual who is a U.S. citizen or U.S. resident alien,
- A partnership, corporation, company, or association created or organized in the United States or under the laws of the United States,
- An estate (other than a foreign estate), or
- A domestic trust (as defined in Regulations section 301.7701-7).

Special rules for partnerships. Partnerships that conduct a trade or business in the United States are generally required to pay a withholding tax under section 1446 on any foreign partners' share of effectively connected taxable income from such business. Further, in certain cases where a Form W-9 has not been received, the rules under section 1446 require a partnership to presume that a partner is a foreign person, and pay the section 1446 withholding tax. Therefore, if you are a U.S. person that is a partner in a partnership conducting a trade or business in the United States, provide Form W-9 to the partnership to establish your U.S. status and avoid section 1446 withholding on your share of partnership income.
