

"Government services Corporations" are NOT the lawful government:  
Very few people believe all Federal, State and Local governments are corporations!  
Operating as "corporations, they have no actual lawful "jurisdiction", unless you have accepted their contract offer to subject you into their corporation. I have found that "they" refuse to honor private contracts, which they have accepted by their "implied consent" to accept the private contract offer(s).

[Couple these facts with A.S. 45.77.020 "STATE OF ALASKA" is a public corporation, a political subdivision of the state, and it begs the question: "What happened to the state? What happened to the people which make up the "state"?"]

WELL for those of you that don't believe it, read it and weep ...
